

Immaculate Conception Parish Census Update 2019

Self-addressed Contact Information Mailer

As a result of the 2017-2018 census mailings and the updates received we purged our parish registry from inactive or unresponsive families. In an effort to keep our parish records updated, and if you did not fill out a census form in 2018 but continue to be a parishioner at Immaculate Conception, we ask you to take a moment to fill out this form. Please return it back to us by mail, or place in the collection baskets by January 31, 2019.

Kindly list all members of your family that are currently living at your address, including their dates of birth. If you have an email address, please provide that as well. Print legibly with black or blue ink. Thank you for your feedback!
